These rates are an eligible cost in some of the Programs of the Spanish R+D+i National Plan
(Plan Estatal de Investigación Científica y Técnica y de Innovación)

- These rates will be charged the Value Added Tax (VAT) in force.
- Fees will be invoiced at the end of the service. However, CLPU reserves the right to require users to send an advance payment prior to the services.
- The rates will be applied in full, even if the service has not been fully or partially provided, if due to circumstances beyond the control of CLPU.
- The service charge includes general/common use consumables, such as gases, reagents, replacement or resharpening of diamond knives, DVDs.... Any specific supplies or equipment requested by the user will be charged additionally, as well as any other charges due to outsourcing services needed to carry out the service.
- It will be possible charging reduced rates for half-hour intervals.
- If the service takes longer than estimated due to **incorrect preparation of the specimens**, the extra time will be invoiced to the user.
- Users may request exemption (which may be total or partial) from payment, in which case a justification shall be necessary.
